

WBAI
AUGUST 1970

NEWS OF WBAI

After many months of planning, we're very pleased to announce that we have signed a contract to renovate the interior of our Church in order to move our facilities there and end the organizational schizophrenia which afflicts us now due, in large measure, to our dual location.

Work was begun at the Church on Tuesday, June 23, 1970 and barring acts of God, the physical renovation should be completed by the latter part of September. At that point the WBAI technical staff will emerge to install the equipment and wire the station, a complex task which we hope to complete within six weeks. Therefore, you may expect to hear from us over the air from our new locale by Thanksgiving.

We anticipate that the remaining expenditures, to be incurred over the next six months, will total about \$250,000. The \$250,000 will be spent in the following areas: Physical Renovation, Equipment, Furnishings and Fixtures, Architectural Services and Development Expenses. We are just now launching a capital fund drive to supplement our resources.

Our financial goal for August is \$32,000. Though the summer months are traditionally slow, this is realistic due to the very high number of subscriptions due for renewal during August - one result of last year's extended marathon. In order to reach the \$32,000 figure we need a high percentage of renewals on the 2,526 subscriptions which expire, and we hope to attract 250 new subscriptions in the course of the month.

There have been several staff changes and additions at WBAI in the past month or so. Danice Bordett and Bruce Soloway have joined our News and Public Affairs Department and Rachael Scott succeeds Bob Hinton in our Washington Bureau. Joe DiCostanzo is our summer switchboard operator, having risen from the ranks of marathon volunteers. Stephanie de Muñoz has replaced Frank Baez as Subscription Registrar, and Nancy Fazakas has replaced Rose Mary Anderson as editor of the Folio.

You may note some changes in this Folio, but the next (September) Folio will look quite different, and we hope you like the new style and format. We would like to take this opportunity to urgently request drawings and photographs for possible use in the Folio. The works we do use will be credited (if not paid for), and all art will be returned upon request.

The art in this Folio is of Eduard Boubat, Pierre Breugel the older, Alex Dobkin, Nancy Fazakas, Robert Gilberg, Mark McHarry, Nigeria (anonymous), Irving Penn (Réalités, Vogue), Olana Reeves, John Senzer, Jeff Smith, Benjamin Sommers and David Stein.
